PARTNER STRUCTURE

SILVER

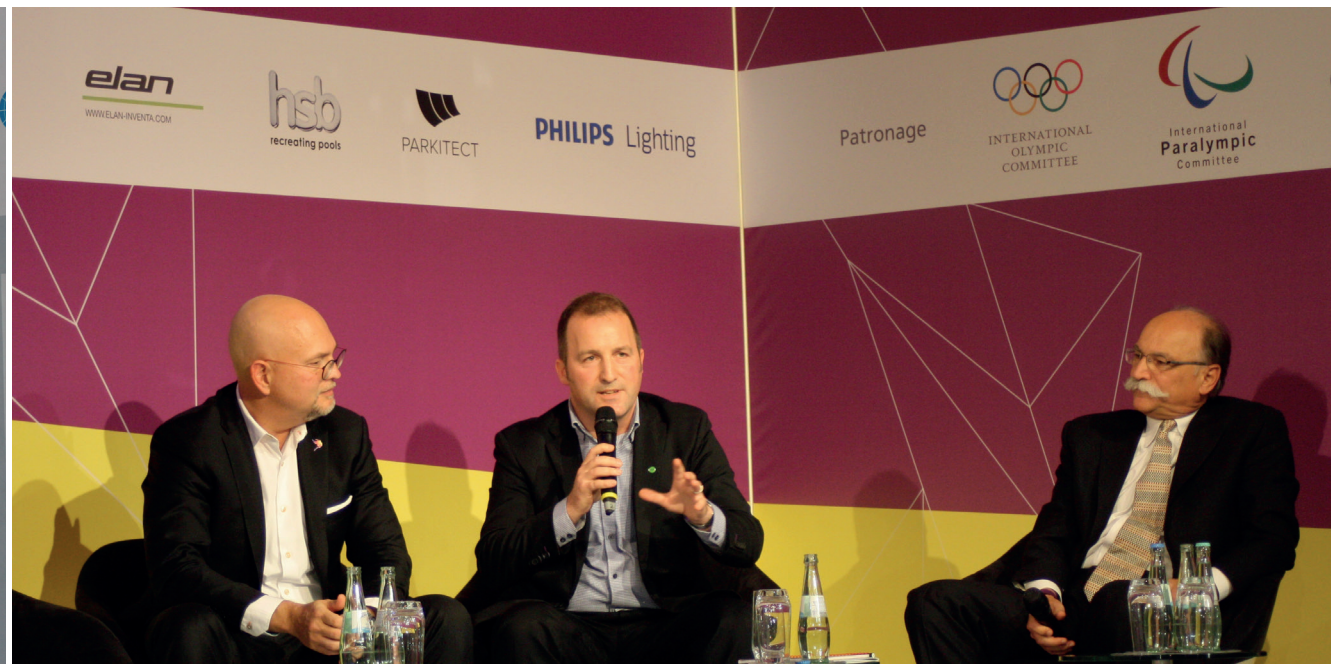

We let Silver sponsors shine! Make use of a solid range of opportunities for publicity in all of our communication channels – in print, digital media, social media and, of course, on site.

GOLD

“Silence is golden” – or so they say. But as a Gold sponsor, you can make a big noise, as you are entitled to an extensive communication package with a large range. This way you’re sure to reach your target group.

PLATINUM

The best-possible publicity in an exclusive setting: as a Platinum sponsor, we can assure you of being the only sponsor in your segment of the industry. You benefit from our network to an extraordinary degree – before, during and after the international IAKS Congress.
