* This address will be displayed in the Expert Database at www.iaks.sport. The IAKS member database enables clients to find competent partners for design, project management and expert opinions in the sports facility sector. In the case of a different address for the external presentation we ask for a separate message.

I choose the following membership category in accordance with the IAKS Rules, Art. 4 No. II, and the IAKS fee structure:

490 euros/year: Organization from the commercial sector (corporate membership for architects, consultants, suppliers, construction companies)

370 euros/year: Organization from the public sector, science and sport (corporate membership for public authorities, operators, educational and scientific institutions, associations and federations)

120 euros/year: Individual

Free of charge: Full time student (A certificate of matriculation must be supplied unrequested until 15 January of each calendar year)

.....
Developing nations member: I have my place of business in a an economically less developed country recognized by the World Bank and would like to pay only 50% of the member's fee (No. 4 in the fee structure).
.....

Accordingly to the IAKS rules my membership will be extended year by year unless I inform the IAKS that I would like to terminate the membership. Notice must be given by writing at least one month from the end of the year.

I have acknowledged the rules and the fee structure (IAKS website, membership area).
