

IAKS fee structure

Applicable as of 1st January 2021

With reference to Article 6, II. of the IAKS Rules, the following fee rates will apply to members as of 1st January 2021.

1. Membership fees

- | | |
|--|--------------|
| A) Individuals pay a fee of | 120.00 euros |
| B) Organizations, federations or institutions under public or private law from the public sector, science and sport pay a fee of | 370.00 euros |
| C) Organizations under private law from the commercial sector pay a fee of | 490.00 euros |
| D) Supporting members or sponsors pay a fee that depends individually on the IAKS services agreed in the sponsorship agreement.
Supporting members or sponsors receive additional services from the IAKS, e.g. industry-related studies or PR services. | |
| E) Honorary members and Honorary Presidents are free of charge. | |
| F) Individual persons in retirement may be released from the membership fee by decision of the Executive Board. | |
| G) Full-time students are members free of charge. A certificate of matriculation shall be provided unsolicitedly until 15 January of each calendar year. | |

2. Benefits for members

Members will get the following benefits following their respective type of membership:

Individuals and students

- Consulting the Office on technical matters
- Consulting the Office when searching for competent business partners
- Use of the IAKS logo for promotional purposes
- Sending of a digital membership certificate upon request
- **A single** "sb" subscription
- Reduced rates for IAKS publications
- Subscription of IAKS Emails newsletter
- Download of specialist information in the protected login area at the IAKS website
- Basic entry in the website databases
- Presentation as new member in "sb" magazine and in IAKS Email newsletter
- Reduced participation fees **for a single person** for the IAKS Congress
- Reduced participation fees **for a single person** for IAKS conferences and seminars

Organizations, federations or institutions under public or private law from the public sector, science and sport:

Same services as for individuals, plus:

- Reduced participation fees **for several persons** for the IAKS Congress
- Reduced participation fees **for several persons** for IAKS conferences and seminars
- **Two** "sb" subscriptions

Organizations under private law from the commercial sector:

Same services as for individuals, plus:

- Reduced participation fees **for several persons** for the IAKS Congress
- Reduced participation fees **for several persons** for IAKS conferences and seminars
- **Three** "sb" subscriptions
- Reduced exhibitor fees at IAKS conferences and seminars
- PR services in "sb" (additional fee required)

Supporting members or sponsors:

Same services as for institutional members, plus:

- Premium entry in the website database
- Further services subject to agreement

The General Meeting empowers the Executive Board to adapt these services flexibly to changing market conditions, to supply and demand situations, and to the scope offered by technology.

3. Members of sections

The General Meeting empowers the Executive Board to charge reduced fees for members of sections in consultation with the section's executive board. The size of the section fee depends in each case on the services provided by the IAKS to section members.

4. Members in economically less developed countries

The IAKS sees itself as a global network for sports facility development, regardless of the economic conditions in the various countries of the world. Membership should also be available to those from economically less developed countries who are interested in membership.

Members in countries classified by the World Bank as "Low income", "Lower middle income" or "Upper middle income" countries therefore pay only 50% of the fee rates mentioned in "1. Membership fees".

The "Low income", "Lower middle income" and "Upper middle income" countries are as follows (status June 2020, World Bank):
