* This address will be displayed in the Expert Database at www.iaks.sport. The IAKS member database enables clients to find competent partners for design, project management and education as well as suppliers and manufacturers. In the case of a different address for the external presentation we ask for a separate message.

I choose the following membership in accordance with the IAKS Rules, Art. 4 No. II, and the IAKS fee structure:

Organization from the commercial sector: 560 euro/year

Organization or institution from the public sector, science and sport: 420 euro/year

Secondary membership to primary membership: 150 euro/year

(for members which apply for one or more secondary membership(s) in other countries related to their global organization structure)

Membership IAKS Nordic

As a member based in one of the Nordic Countries, I will also become a member of IAKS Nordic (Denmark, Finland, Iceland, Norway, Sweden, Greenland, Faroe Islands, and Åland Islands).

Accordingly to the IAKS rules my membership will be extended year by year. Termination is possible at the end of the year and must be declared in writing at least one month from the end of the year.

I have acknowledged the rules and the fee structure (IAKS website, membership area).
